Team Epoch

OCHA challenge Team Stroopwafel

Guess where we're from : D

Laurens, Aryaman, Lukasz, Pieter

AGENDA

01 Exploring funding streams

02 Where are the gaps?

03 Why are they there?

04 Conclusion

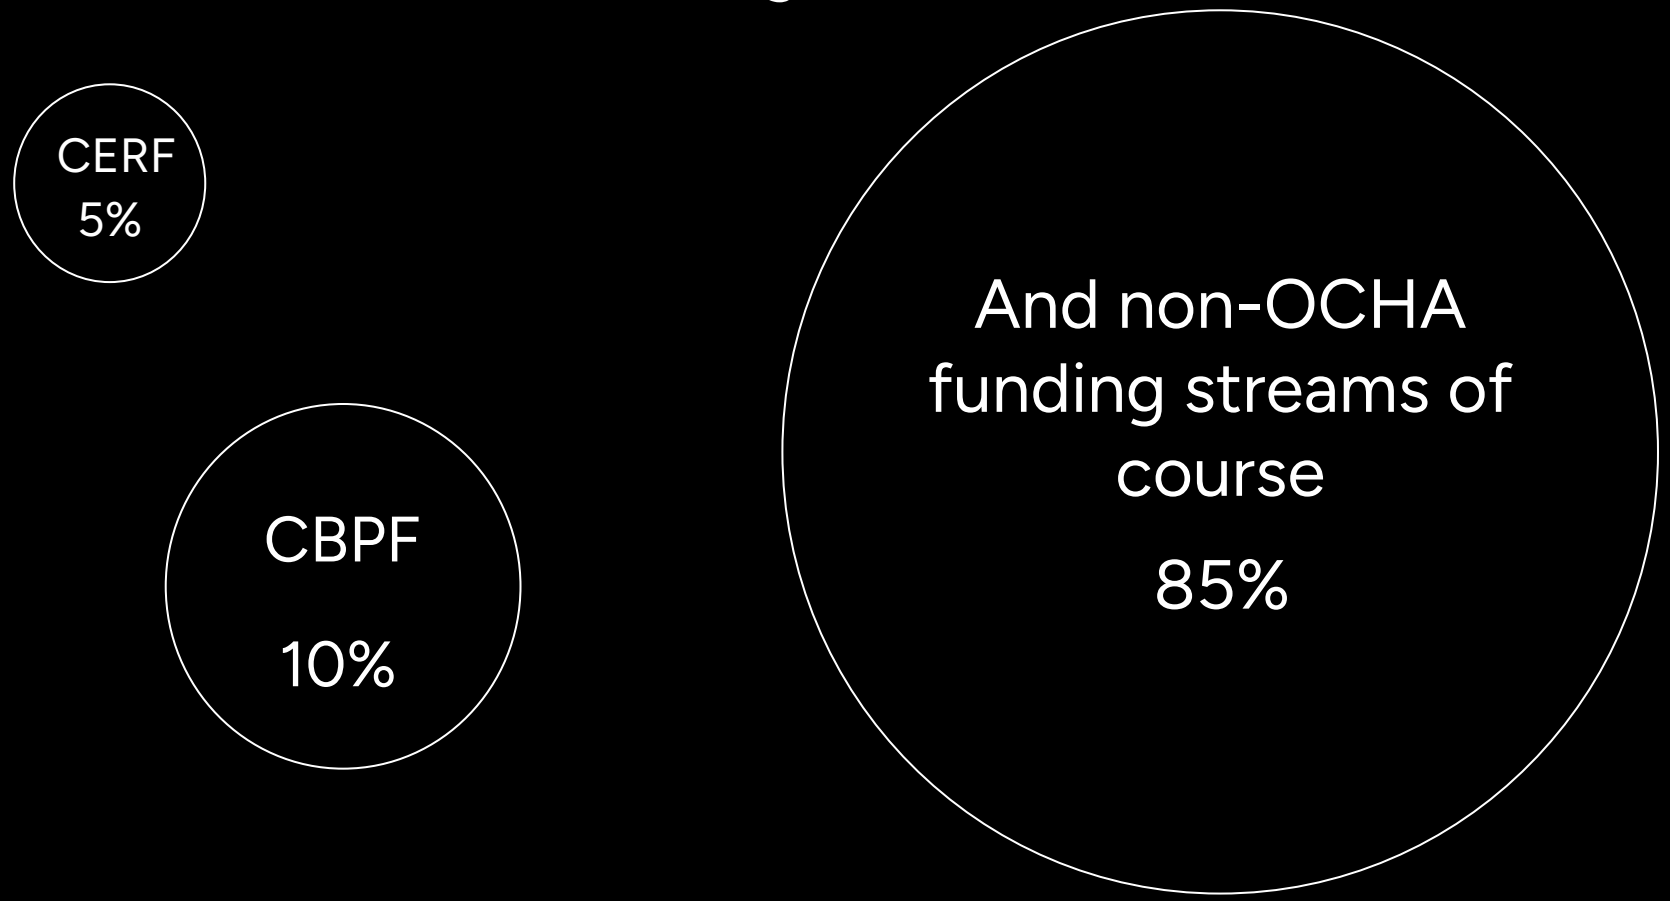
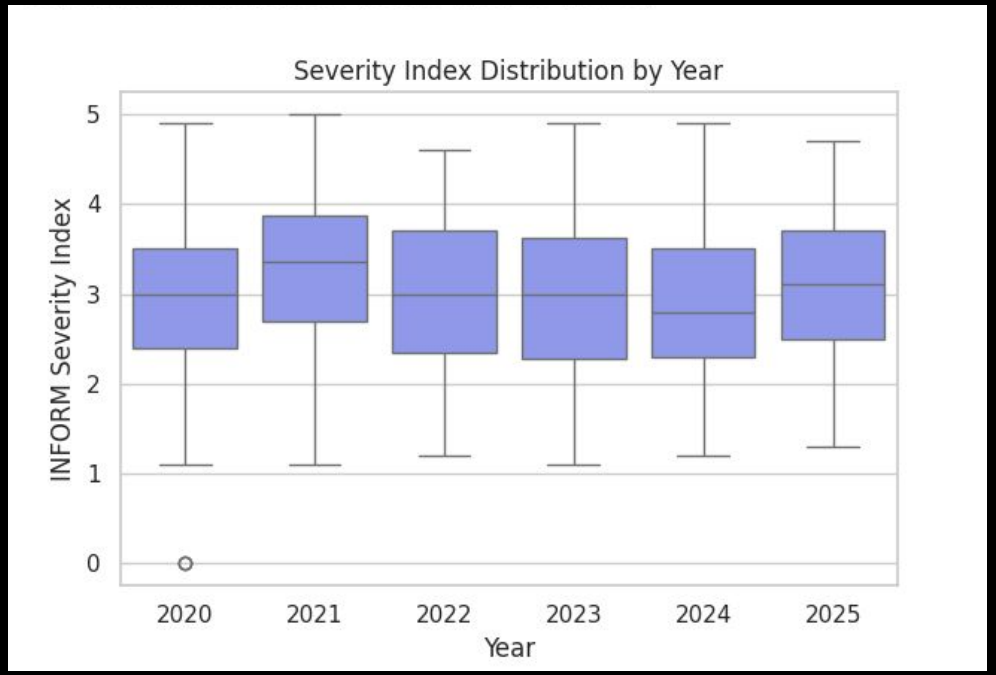
UN OCHA Funding Streams



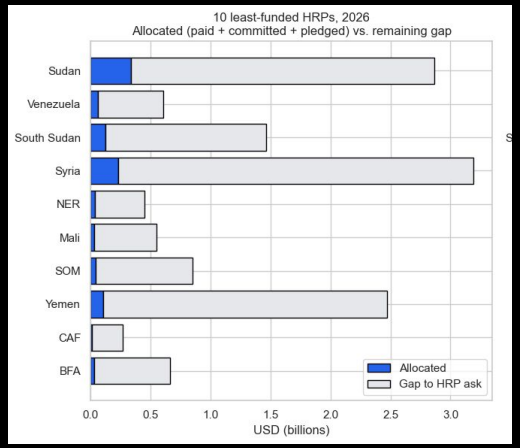
Which crises are most overlooked?

Part 1: Recent Trends

- Africa most prevalent, Middle East most severe
- Funding drop => requirements drop
- Average severity index roughly constant



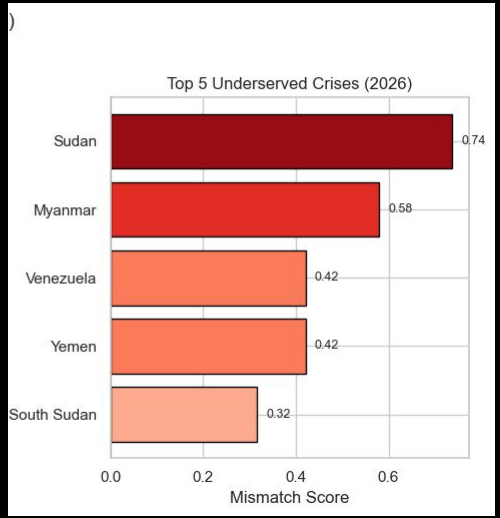
Part 2: Identifying Gaps



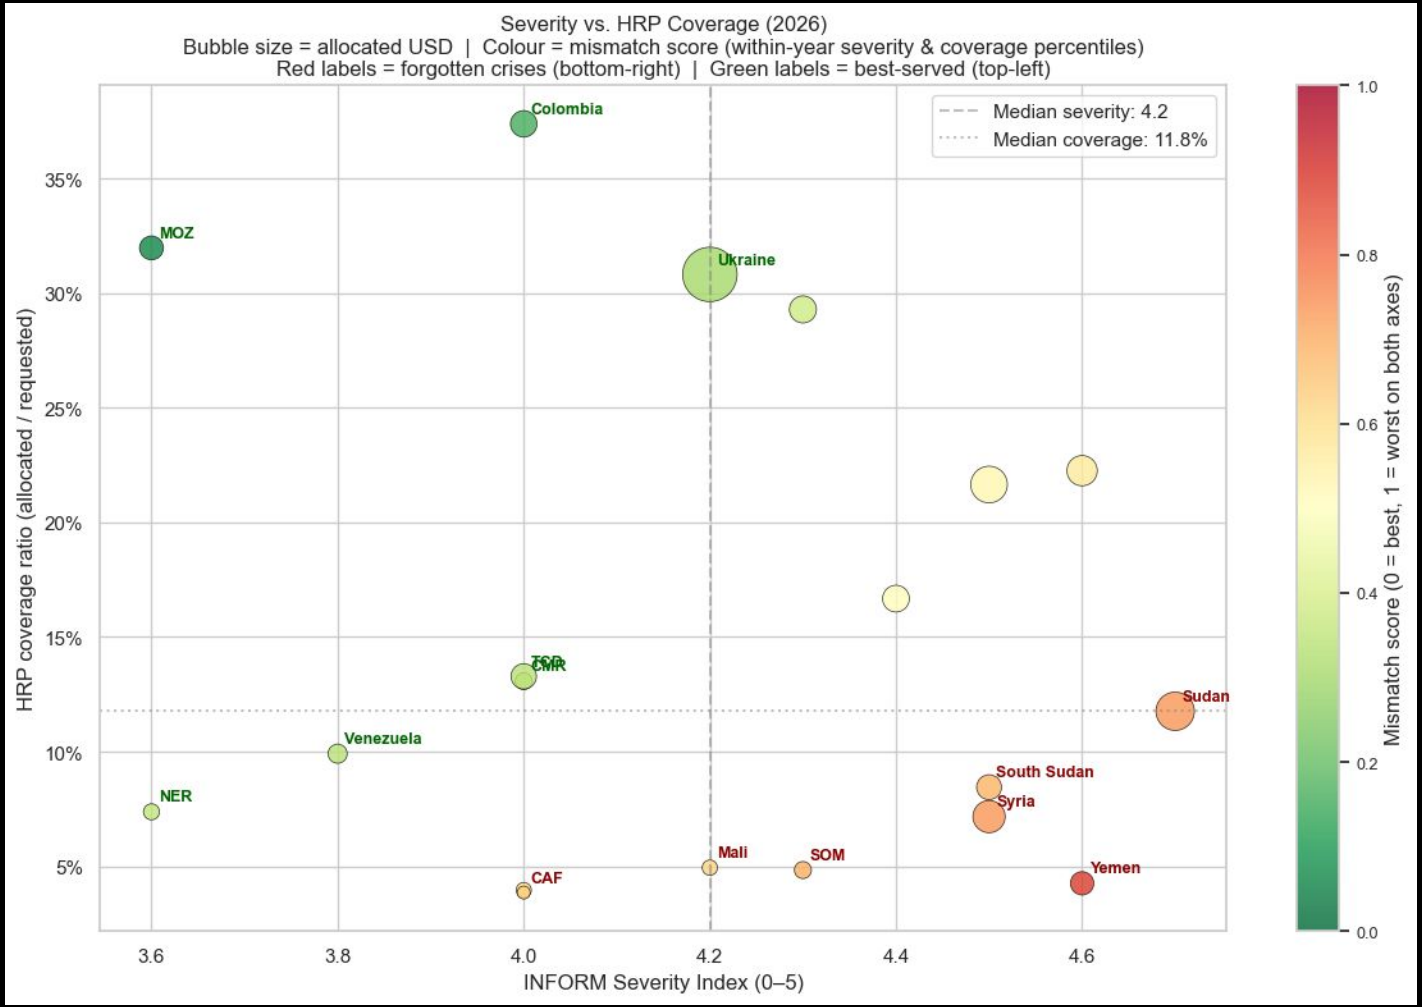
- ➔ Hidden Crises -> Ethiopia
- ➔ Planning gaps -> Sudan
- ➔ Funding gaps -> Sudan

- ➔ Effectiveness gaps -> not quantified

Keep in mind: much variation



The outlier: Ukraine



Severity vs. HRP Coverage (2026)
Bubble size = allocated USD | Colour = mismatch score (within-year severity & coverage percentiles)
Red labels = forgotten crises (bottom-right) | Green labels = best-served (top-left)
Median severity: 4.2
Median coverage: 11.8%

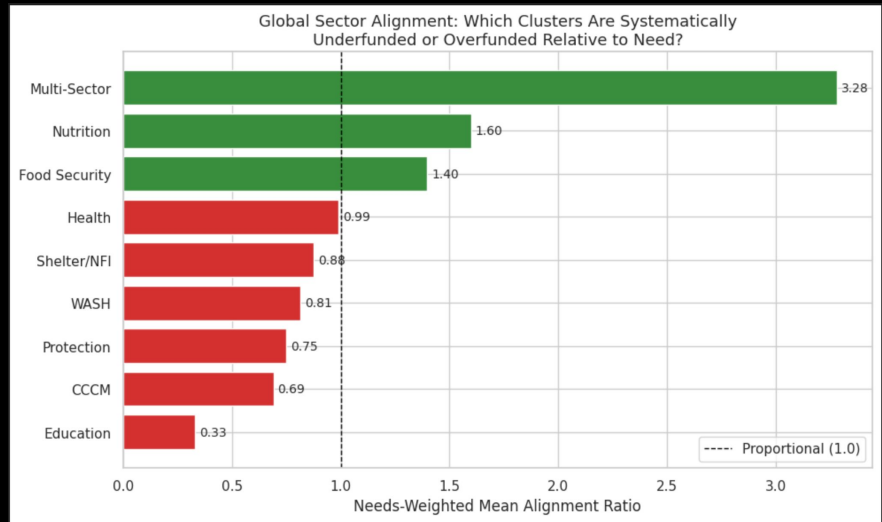
0.0
Mismatch score (0 = best, 1 = worst on both axes)

Part 3: Diagnosing Gaps

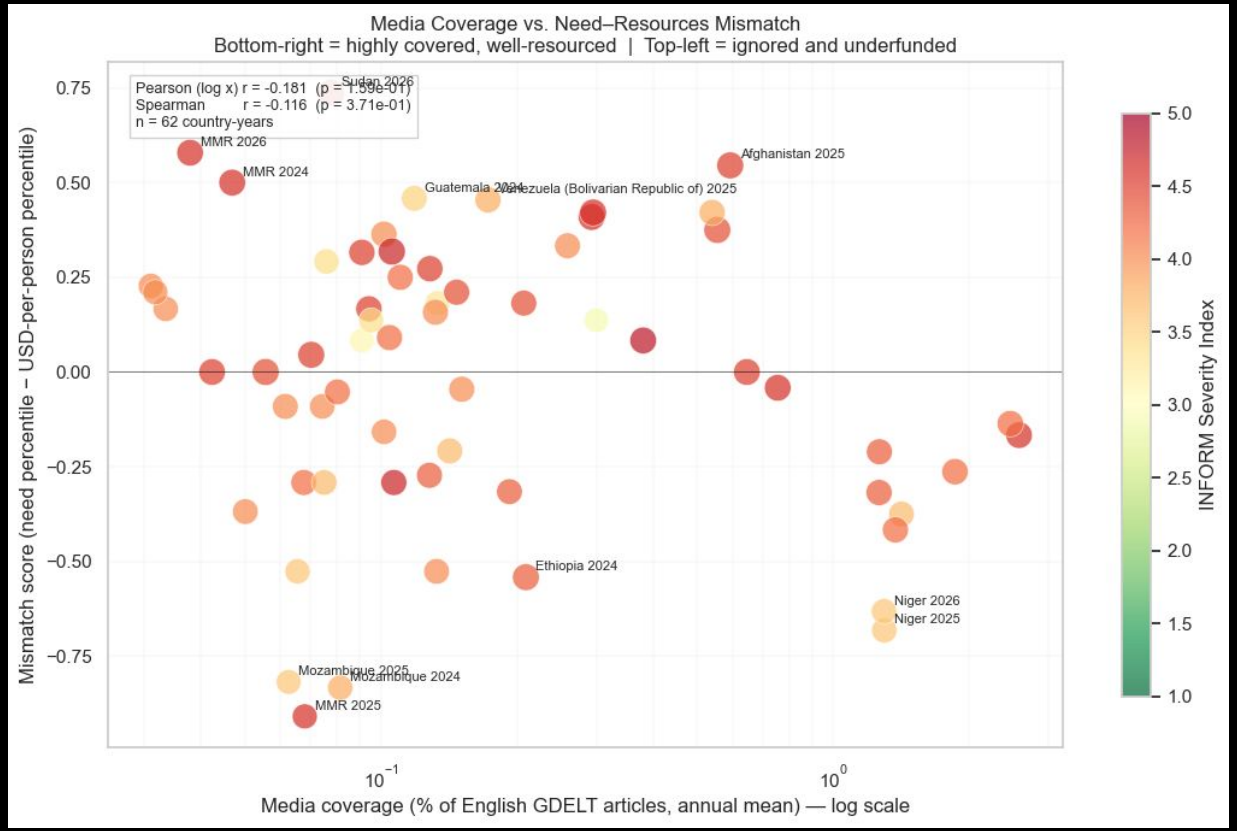
1. CERF Allocations roughly match our conclusions
   But Underfunded Emergencies vs Rapid Response clouded the results
2. All clusters underfunded, except Health, Nutrition & Food Security

3. And one big idea:

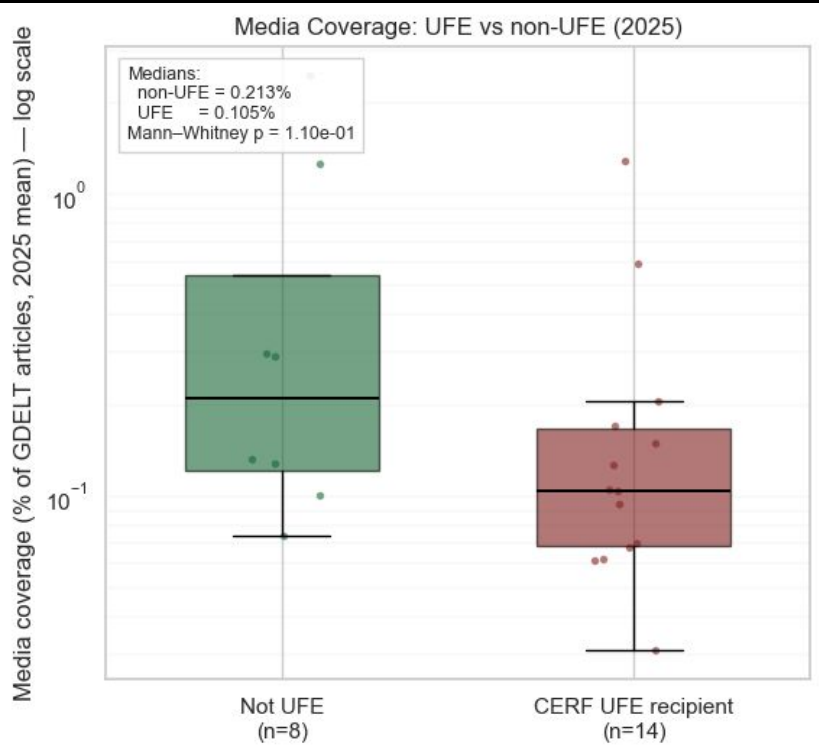


Media

Weak Correlation Overall



But…



Media Coverage: UFE vs non-UFE (2025)
Medians:
non-UFE = 0.213%
UFE = 0.105%
Mann–Whitney p = 1.10e-01
Media coverage (% of GDELT articles, 2025 mean) — log scale
10^0

Conclusion: which crises are underfunded?

- ➔ Ethiopia
- ➔ Sudan
- ➔ And a lot of unmentioned…

- ➔ Some positive outliers (but still underfunded)

teamstroopwafel.streamlit.app

Step 1

Your marketing goals should be aimed at reaching, engaging, and capturing your target audience at every touchpoint, whether online or in-store.

- → List 3 or 4 marketing objectives
- → Make sure your goals are specific, measurable, achievable, relevant, and time-bound (SMART)
- → For example, you might want to generate a specific number of leads next month through a targeted email campaign

Step 2

Your communication goals should be both internal and external. Think about brand awareness in the market, but also about employee engagement in the office.

- → List 3 or 4 communication objectives
- → Make sure your goals are specific, measurable, achievable, relevant, and time-bound (SMART)
- → For example, you might want to increase web traffic a specific amount during the next quarter through SEO optimization

Step 3

Your business goals are your overarching objectives. From annual revenue to market share and customer satisfaction, this is what everything contributes to.

- → List 3 or 4 business objectives
- → Make sure your goals are specific, measurable, achievable, relevant, and time-bound (SMART)
- → For example, you might want to increase customer retention next year by automating and speeding up customer service

OBJECTIVES

01

Objective title

Define your business, marketing, and communication objectives. For example, you might set goals around growing revenue, generating leads, or shifting perceptions around your brand.

02

Objective title

Each objective can be standalone or contribute to the next one in the list. This will depend on your strategic plan and internal company structure.

03

Objective title

Make sure your goals are specific, measurable, achievable, relevant, and time-bound (SMART). Explain what you want to achieve, for whom, during which time frame, and how you'll define success.

04

Objective title

For example, if you want to increase market share, aim for a specific percentage increase within the next year by launching a new product or capturing a new market segment.

HOW WE'RE DOING

STRENGTHS

- → Make a list of what your organization or team excels at
- → This is what sets you apart from the competition
- → Add as many items as you need

WEAKNESSES

- → Identify areas for improvement within your organization or team
- → Think about what you could be doing internally to achieve better results
- → Add as many items as you need

OPPORTUNITIES

- → Call out any opportunities for growth
- → These are external factors, such as market trends or platforms, that your business can leverage
- → Add as many items as you need

THREATS

- → Mention any challenges, obstacles, or risks that your business is facing
- → These can range from environmental factors to new market competitors
- → Add as many items as you need
